

ASK BARR TO REMAIN

Exposition Directors Decline His Resignation.

SOCIAL POWERS TO COMMITTEE

New Commission Appointed to Entertain Distinguished Guests, Its Expenditures to Be Controlled by Director General—Barr's Supporters Must Gain Majority.

Norfolk, Va., Sept. 24.—The board of directors of the Jamestown Exposition was in session for more than six hours this afternoon and to-night, endeavoring to put an end to the social war which has been under way at the exposition for the past month between President Tucker and Director General Barr, without accepting the resignation of the director general. The directors met at 4 this afternoon, and did not adjourn until after 10 to-night.

The action of Barr's friends in the meeting soon made it known that Barr would withdraw his resignation, if given full power in the management of all departments of the exposition, including the social. There were about seventy of the upward of 100 directors present when the meeting was called to order. Those inclined to give Barr the complete powers which he desires had a majority estimated at from 9 to 12.

New Committee Named.

The matter was finally disposed of by the adoption of the following resolutions, offered by Joseph Bryan.

"Resolved that a committee on ceremonies—Judge T. S. Garnett, J. W. McCarrick, S. Gordon Cumming, George A. Schmeiz, C. Brooks Johnston, J. W. Pridley, Admiral P. F. Harrington, Brigadier-General Fred D. Grant—is appointed by the board of directors to take charge of all matters connected with official ceremonies and social functions of the Jamestown Exposition Company and the entertainment of distinguished guests and representatives of States and foreign governments, and will report to the board of directors at the next meeting of the board of directors, and the board of directors, provided that all estimates of necessary expense to be incurred in this work are first approved by the director general."

Want Director Retained.

Another resolution was adopted asking Barr to reconsider his resignation. No one seems to be certain that he will. A number of petitions were also presented to the board asking that the resignation be not accepted. One of these was composed of concessionaires. Another was signed by 200 business men of Norfolk, and another by the State Commissioners' Association.

Vice President Alvah H. Martin presided over the meeting, in the absence of President Tucker.

Among those who testified to-day were Arthur C. Gruber and C. E. Rickard, of Williamsport, and John W. Feldman, of Hagerstown. Their testimony had to do with certain stocks handled by King.

Upper Marlboro, Md., Sept. 24.—The Republican convention of Prince George County reassembled here this afternoon and nominated candidates for the house of delegates and county officers. For the House of Delegates—John T. Hardisty, of Queen Anne district; Oliver S. Metzger, of Chillum district; Francis W. Hill, of Marlboro district; and George M. PLAN VIGOROUS FIGHT

Alexandria Democratic City Committee Organizes.

NEW SCHOOLS IN THE COUNTY

Voters Approve Additional Levy in Washington and Arlington Districts—Negro Killed Under Wagon He was Driving—Motor Boats to Race Again for Championship.

WASHINGTON HERALD BUREAU, (Bell Telephone 61.) 59 King Street.

Alexandria, Va., Sept. 24.—At a meeting held this evening in the Opera House Cafe, the Democratic city committee, whose members were chosen a few weeks ago, reorganized with the election of Charles Bendheim as chairman and Theodore Cook as secretary. Mr. Bendheim has served as president of the committee for a number of years. Mr. Cook was also chosen to succeed himself. With the exception of Commonwealth Attorney Samuel G. Brent, all the members of the body were present.

Plans for the Congressional and State legislative election in November were discussed, and the committee determined upon active measures for bringing out a large vote for each of the Democratic nominees. A strong effort will be made to poll in the general election practically the same vote as was cast in the recent Democratic primaries.

Other meetings of the committee will be held between now and the date of the election to perfect a system for recording the entire available Democratic strength. The Republicans have decided to make a fight for each of the positions to be filled—Representative from the Eighth district, State Senator from the Fourteenth senatorial district, and delegate from Alexandria county and city.

C. C. Carlin, of this city, the Democratic nominee for Congress, is opposed by Ernest L. Howard, of Fairfax; R. Ewell Thornton, of Fairfax, is opposed by J. C. Deputour, also of Fairfax; and James R. Caton, of this city, has against him Frank Evans, also of this city, for the house of delegates.

New School Levy Approved.

A special election was held yesterday in the Arlington and Washington districts, in Alexandria County, to take the sense of the qualified voters upon the question of additional school levy, and the proposition was approved in both districts. The majority in Arlington district was 44, and in Washington district 24. The additional levy insures to Arlington district the erection of a handsome school house on Port Myer Heights, near the county court house, to cost about \$10,000, and the probable commencement of another at Clarendon between the county court house and Ballston. Washington district will have a fine school house in the growing village of Cherrydale, to cost about \$5,000.

Run Over and Killed.

John Buckner, colored, a driver employed by W. A. Smoot & Co., coal dealers, was instantly killed this afternoon, about 5 o'clock, by falling under the wheels of a heavily-laden vehicle which he was driving on Union street.

The wheels passed over his head. Coroner Moore deemed an inquest unnecessary. Buckner, who was about forty-five years of age, resided at Bailey's Cross Roads, where he has a family.

Motor Boats to Race.

Another race has been arranged between the motor boats Klondike, defending the championship of the Potomac, and Mae, which engaged in a contest on the river last Saturday, over a course about six miles long, the former winning by 42 seconds. The motors will start from a stake-boat off the Prince street wharf and will round a similar boat off Marshall Hall, returning to the point where the race began.

As in the former contest, there will be no handicaps, the boat coming in first being the winner. It is expected that the race will occur next Saturday afternoon at 3 o'clock.

The Mae is owned by R. Bruce Emerson and is a new type of boat, designed to be buoyed up in part by air bubbles. The Klondike is owned jointly by William E. Moore, George T. Pettit, and Thomas F. Kelly.

To Bury Sweetheart's Body.

Miss Ella Kirwin, of Jackson, Tenn., who was betrothed to John W. Turner, the young lineamaker who was killed at Spring Park July 17 last by falling from a tower car, has made arrangements for the interment of the remains of Mr. Turner. The body, which has been kept in a vault while search was being made for the relatives of the dead man, will be buried in St. Mary's cemetery Thursday morning at 10 o'clock. The services will be conducted by Rev. Father Kelly, assistant pastor of St. Mary's Church.

The annual inspection of the Alexandria Light Infantry, Company G, of the Seventeenth Virginia Regiment, was held this evening before a large number of spectators in Armory Hall. The inspection was conducted by Col. Joe Lane Stern, assistant inspector general of the State troops. The officers in command of the company were Capt. P. J. Murphy, First Lieut. Windsor Demaine and Second Lieut. R. C. Talbott. Maj. James E. King and the battalion staff officers were also inspected.

The funeral of Miss Florence Wade, whose death occurred Saturday, was held this afternoon from the residence of her parents, Mr. and Mrs. S. R. Wade, 310 Commerce street. The services were conducted by Rev. Dr. Samuel A. Wallis, of the Episcopal Theological Seminary, and Rev. William J. Morton, of Christ Church. The interment was in the Methodist Protestant cemetery.

Wheeling, W. Va., Sept. 23.—Max Hall, aged twenty-four, a graduate of Washington and Jefferson College, and superintendent of derricks at the government dam at Wellsburg, near Wheeling, was instantly killed to-day by being struck by a broken cable, carrying a heavy load of stone. POLITICIANS AT LOVE FEAST.

Anne Arundel Democrats Patch Up Differences.

Annapolis, Md., Sept. 24.—Democratic politicians of Anne Arundel County had a love feast here to-day and practically smoothed over all factional differences, and there is every indication that there will be no more factional fights.

The gathering was the result of an invitation extended to all candidates to meet the county central and executive committees and formulate plans for the campaign. Contrary to expectations, many of the leaders of the forces which opposed Dr. George Wells in the primary, accepted.

Everything went off so harmoniously that it is hard for one to believe that Isaac S. Nutwell and Robert Moss opposed Dr. Wells in the recent bitter primary.

Winchester, Va., Sept. 24.—Ernest Simons, the youth who was recently arrested at Berryville, charged with having placed a gate-post in the road, thus causing an automobile wreck and the death of Miss Mary Louise Bushnell, of Winchester, on the night of August 6, was to-day released by the grand jury for Clarke County, which spent nearly two days taking testimony.

The jury was unable to find a true bill on account of insufficient evidence.

PFEIFER FUNERAL TO-MORROW

Man Who Committed Suicide to Be Laid at Rest.

Believed to Have Jumped into Tidal Basin Because of Despondency Over Arrest.

Yesterday evening the body of David Pfeifer, who committed suicide during the morning by throwing himself in the tidal basin, was removed from the morgue and prepared for burial at a local undertaking establishment.

The funeral will probably take place to-morrow afternoon, and the interment will be at the Congressional Cemetery.

Pfeifer formerly lived at the home of his nephew, at Four-and-a-half and K streets southwest, and took his meals at the house of his sister, Mrs. L. E. Greenwell, of 105 Eighth street southwest.

Yesterday morning the man appeared to be well, and left his sister's home after eating his breakfast, not saying the last Mrs. Greenwell heard of him until late yesterday afternoon, when she was told that he had committed suicide.

Several people who were in the vicinity of the Basin at the time he ended his life said that Pfeifer walked up and down the sea wall for some time, and appeared to be deep in thought. After a short while he took off his hat and laid it down on the stonework, and then, turning about, plunged into the water.

Tucked under the sweatband of his hat, Pfeifer had left a short note directed to his sister, Mrs. Greenwell. The note simply said: "Dear Sister—Good-bye. It's all over."

His body was not recovered until after the harbor police had dragged for it several hours.

Pfeifer was arrested last week for operating a hand book on the races, but was released on bond, pending a hearing. It is believed that worry over the affair caused him to become despondent and, finally, to end his life.

Pfeifer was formerly an employee of the Government Printing Office and is well known to department employees.

Eldridge's Condition Very Favorable, Doctors Declare.

Elkton, Md., Sept. 24.—The condition of Judge Crotthers, Democratic nominee for governor, to-night is very favorable. At 6 o'clock he was given a cold bath, and his temperature went down to 101½. His pulse is also down to 72.

Last night he rested well for a person suffering from typhoid, and he has slept some to-day. His fever is readily controlled by bala thus far, his temperature going down to almost normal after each bath.

None of the alarming symptoms which usually accompany typhoid fever have thus far been detected. Dr. Brattan stated that he expected the case to be one of only average severity, and thought the fever might be broken in twelve or fourteen days.

New York, Sept. 24.—Senators Crane, of Massachusetts, Knox, of Pennsylvania, and Bailey, of Texas, were guests last night at the Waldorf. According to Senator Crane, they did not even confer last night.

Senator Crane said this morning: "I am here purely on private business, which has nothing to do with the other Senators. We did not meet last night. In fact, I did not know they were here until I read it."
